LAMINATE

Wilsonart® Laminate. When design matters as much as performance.

As a world-leading producer of decorative surfacing products, Wilsonart delivers a wide range of innovative laminate solutions and related services. With products designed to expand your inspirational horizons, Wilsonart Laminate meets your special needs and exceeds the expectations of your most demanding clients.

Our Sustainability Journey

For more than 50 years, being a responsible member of the global community has been woven into all aspects of our company culture. As our manufacturing and distribution networks have expanded worldwide, our impact on the environment has become an increasingly important concern for everyone at Wilsonart.

Several years ago, Wilsonart took the lead to reshape the supply chain for our paper source, which makes up 70% of our High Pressure Laminate (HPL) product lines. Our technical department worked with suppliers to ensure all source materials such as kraft, pulp, and decorative paper met stringent FSC certification requirements. At the onset of the project, no company in the industry had undertaken this endeavor. Wilsonart was the first North American laminate manufacturer to achieve Forest Stewardship Council® Chain of Custody Certification, providing thousands of SKUs of FSC® Mix Credit Certified HPL.

Our sustainability efforts incorporate not only our impact on the environment, but also our long-term commitment to providing high quality products, reliable services, secure jobs and strong community support. This “full circle” journey will take many forms. Our goals are as follows:

Zero Waste: Eliminate unnecessary materials, processes and waste from the products we make and sell.

Zero Impact: Lead the industry in development and use of environmentally responsible materials.

Zero Barriers: Create an environment of excellence that fosters individual growth and engagement in community and industry development.

Products

At Wilsonart, we continuously strive to improve our products and processes while ensuring minimal impact on the world around us. 34% of fiber used to make Wilsonart Laminate comes from recycled sources. The recycled content in Wilsonart Laminate is certified by SCS Global Services (see third-party certificates online). Our laminates are also UL GREENGUARD Gold Certified for low chemical emissions, which can assist you in earning LEED® certification. All standard Wilsonart Laminates are available on request as FSC Mix Credit, SCS-COC-002415. Wilsonart is proud to be the first adhesive manufacturer to have its low-emitting PVA and woodworking adhesives recognized by UL's GREENGUARD Certification Program for indoor air quality.

Processes

We strive to ensure our manufacturing and distribution processes leave minimal impact on the environment. Our sustainability programs include energy management, waste management, eco-friendly product transportation, and raw materials partnerships with suppliers who are equally committed to sustainable business practices. Visit Wilsonart.com/sustainability to learn more.

To contact our Contract Specialists, visit Wilsonart.com or call our Customer Service Smartline at 1-800-433-3222.

Wilsonart makes a laminate surface for every need. Made to endure everything from chemical spills to fire damage, Wilsonart® Specialty Laminates are uniquely suited to handle the challenges of performance interiors. See below or visit Wilsonart.com/specialty to see all of our hard-working design options.

CHEMSURF® CHEMICAL-RESISTANCE

Specifically designed for environments where chemicals and harsh cleaners are used, Wilsonart® Chemsurf® provides exceptional chemical resistance without sacrificing design or style.

FIRE-RATED

This long-lasting, beautiful laminate meets or exceeds the fire codes from a variety of laboratories across the country and comes in a wide range of patterns and colors.

HIGH WEAR

Low-cost and built to take the extra wear that comes with high traffic commercial projects, Wilsonart® High Wear Laminate boasts more than five times the industry standard for abrasion resistance.

WILSONART X YOU

Customize any surface with Wilsonart x You. Bring us your designs, and we'll create a laminate that is uniquely yours. Visit Wilsonart.com/WilsonartxYou.

VIRTUAL DESIGN LIBRARY

Reach beyond the wallboard with Wilsonart's expanded design library. From photorealistic imagery to abstract and artistic graphics, Wilsonart offers a wide range of patterns to fit your needs. Learn more at Wilsonart.com/VDL.

RE-COVER™

RE-COVER™ combines vertical grade laminate and adhesive to create an alternative time – and money – saving option to standard High Pressure Laminate (HPL) installation and fabrication.

COMPACT

Available in thicknesses from 1/10" to 1", Wilsonart® Compact Laminate is a durable solution for high-impact surfaces such as lockers and cabinets, elevator cabs, and toilet partitions.

CHALKBOARD

Wilsonart® Chalkboard is the perfect solution for any space or application that demands a durable and affordable writing surface, and unlike other chalkboard surfaces, it requires no special maintenance.

MARKER BOARD

The ideal laminate writing surface for classrooms, business and administrative offices, message centers, athletic facilities, or as a menu board.

COORDINATED SURFACES

The best-matched HPL, TFL Panel and Edgeband solution in surface design and texture. Visit Wilsonart.com/CS.

SOLICOR™

Wilsonart® Solicor™ is a specialty laminate created with a solid color core – eliminating the troublesome “brown line” of traditional laminates.

All Wilsonart Laminates are suitable for use in commercial and residential settings.

To learn more about the countless design opportunities available through Wilsonart Laminate, visit Wilsonart.com. For your convenience, most Wilsonart designs featured here are in stock and ready for immediate delivery from our distribution center. Sizes and finishes may vary. Call your Wilsonart Distributor for availability. WILSONART® is a trademark of Wilsonart LLC registered in the United States and other countries. HIGH DEFINITION, HD, and AEON are also trademarks of Wilsonart LLC.

Designed specifically to meet the decor needs of commercial projects, this collection features colorways, finishes and patterns that coordinate easily with the other materials you specify. All Premium Laminate designs also feature AEON™ Enhanced Performance Technology, which has been proven to dramatically outperform traditional laminate for wear and scuff resistance.

SOLID COLORS

Expand Your Options Even More

All of the solid colors here can now be specified in any of the Wilsonart textured finishes (shown on the Laminate Surfaces Textures page). Premiums apply. 2-3 week lead time. 4'x8' and 5'x12' sheet sizes only.

Versatile

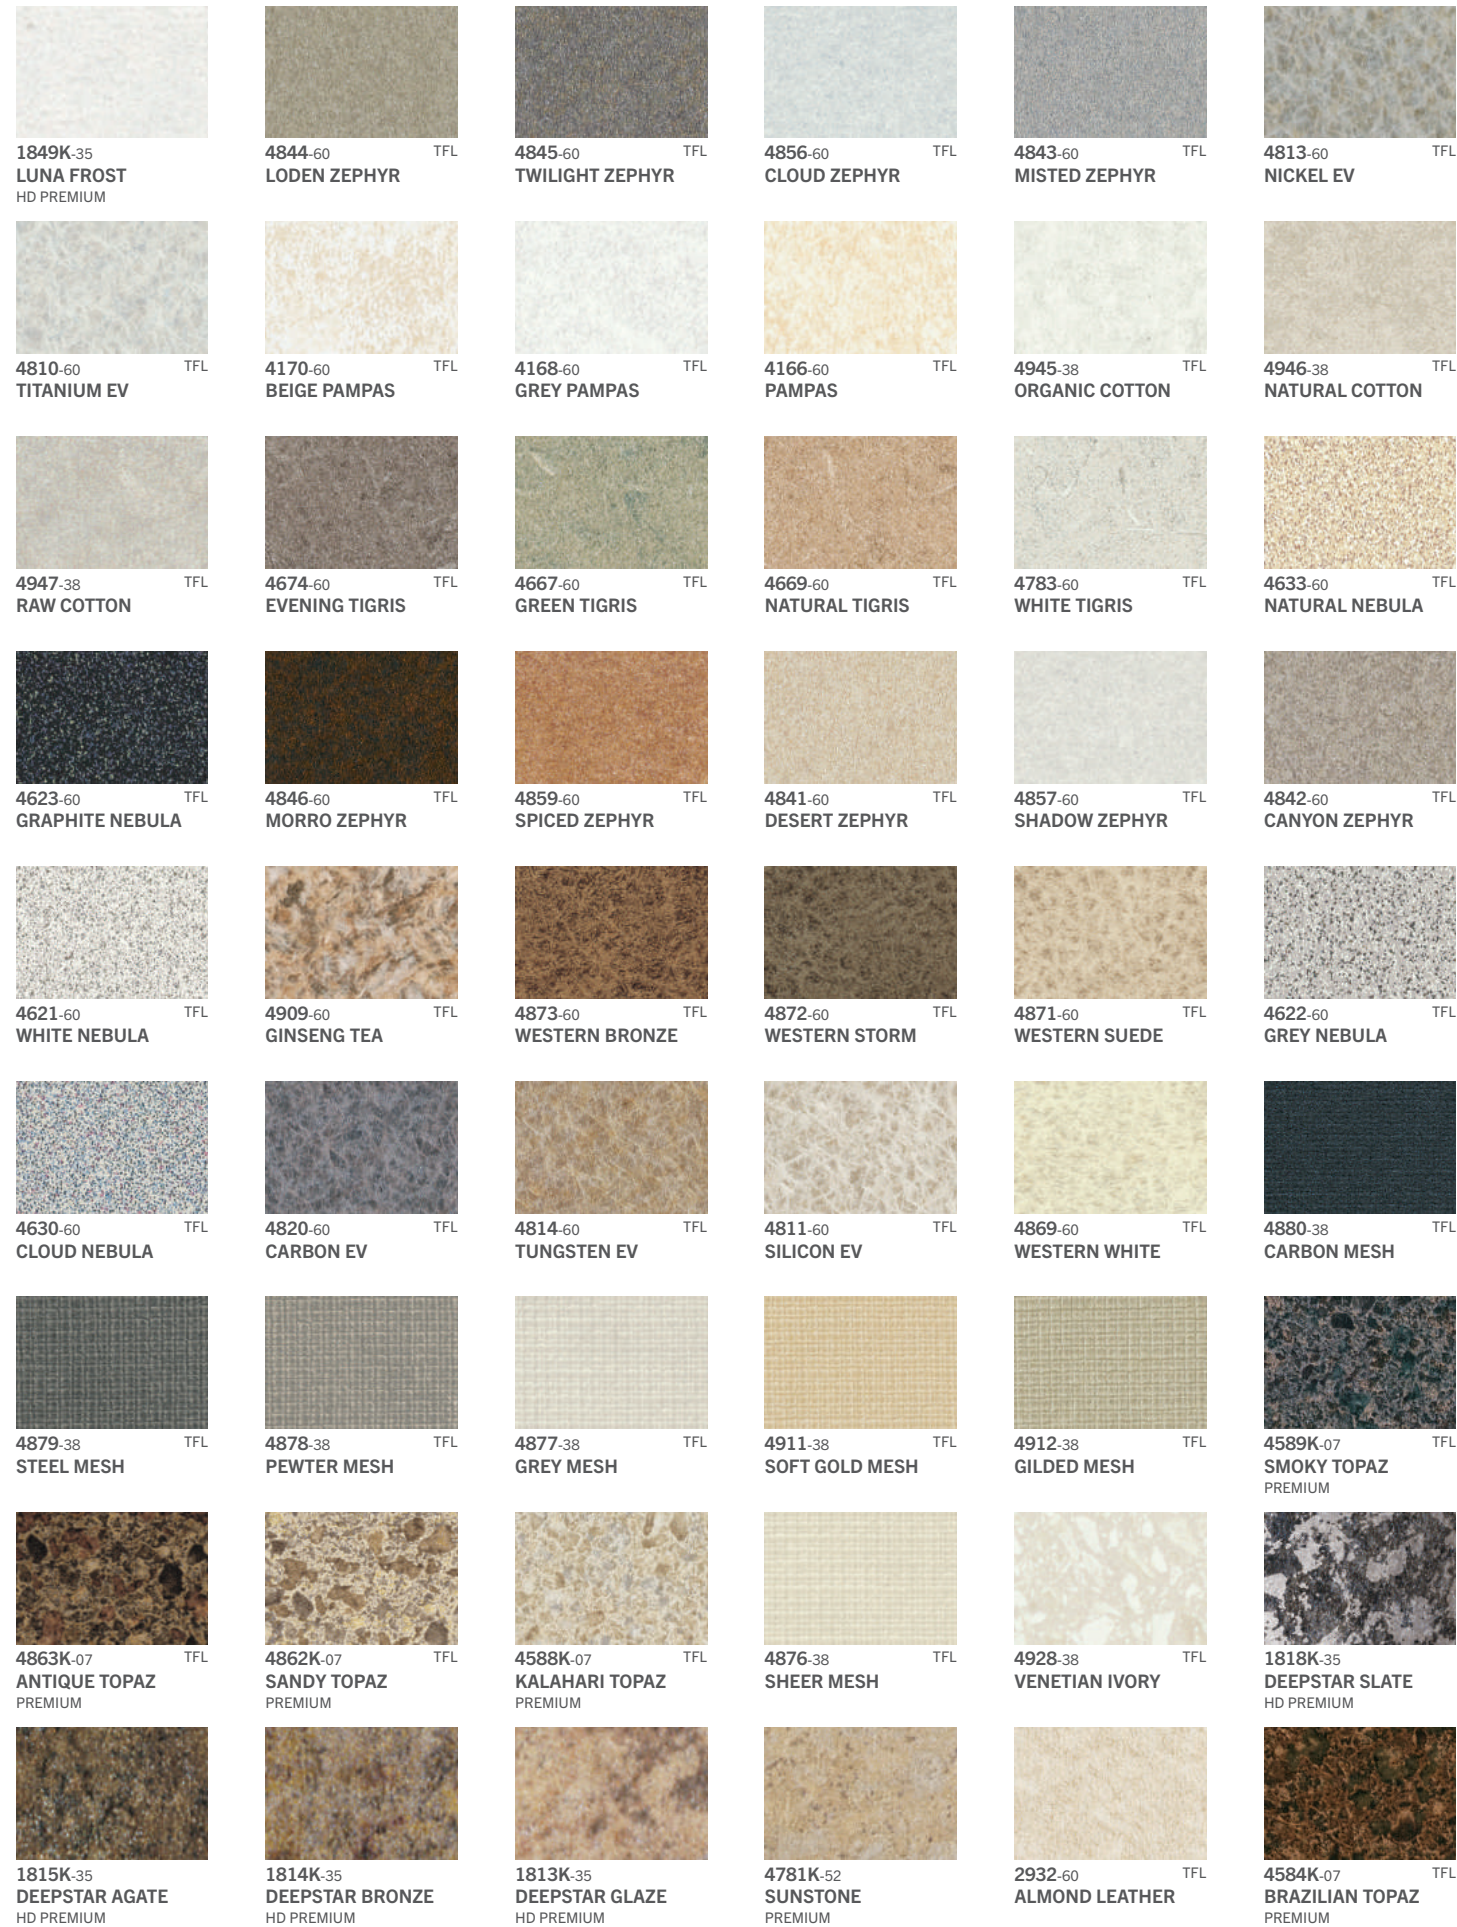

With seemingly endless combinations of vibrant, versatile colors, patterns and textures, Wilsonart's diverse collection of high-performance, high style laminates helps you deliver truly inspired designs. Which means that no matter the job, whatever the challenge, your clients won't just get your best. They'll get ours, too.

ABSTRACTS

ABSTRACTS

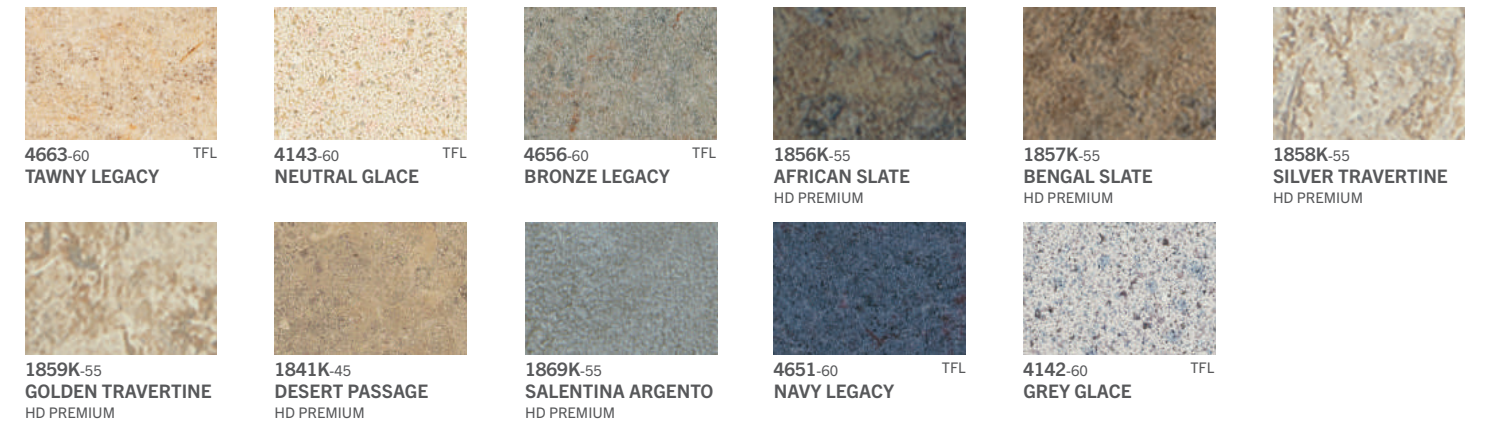

Inspiration

We find design inspiration everywhere. From the supermarket to the art museum, inspiration for product innovation comes to us in the strangest of places. That's why we've curated a unique collection of design resources just for you.

Inspired by today's popular granite, marble and quartz looks, these designs are richly dimensional, realistically textured and intrinsically practical. And like all Wilsonart Laminates, they meet or exceed the industry standards for both residential and commercial use.

HOME COLLECTION

7973K-12 OLD MILL OAK

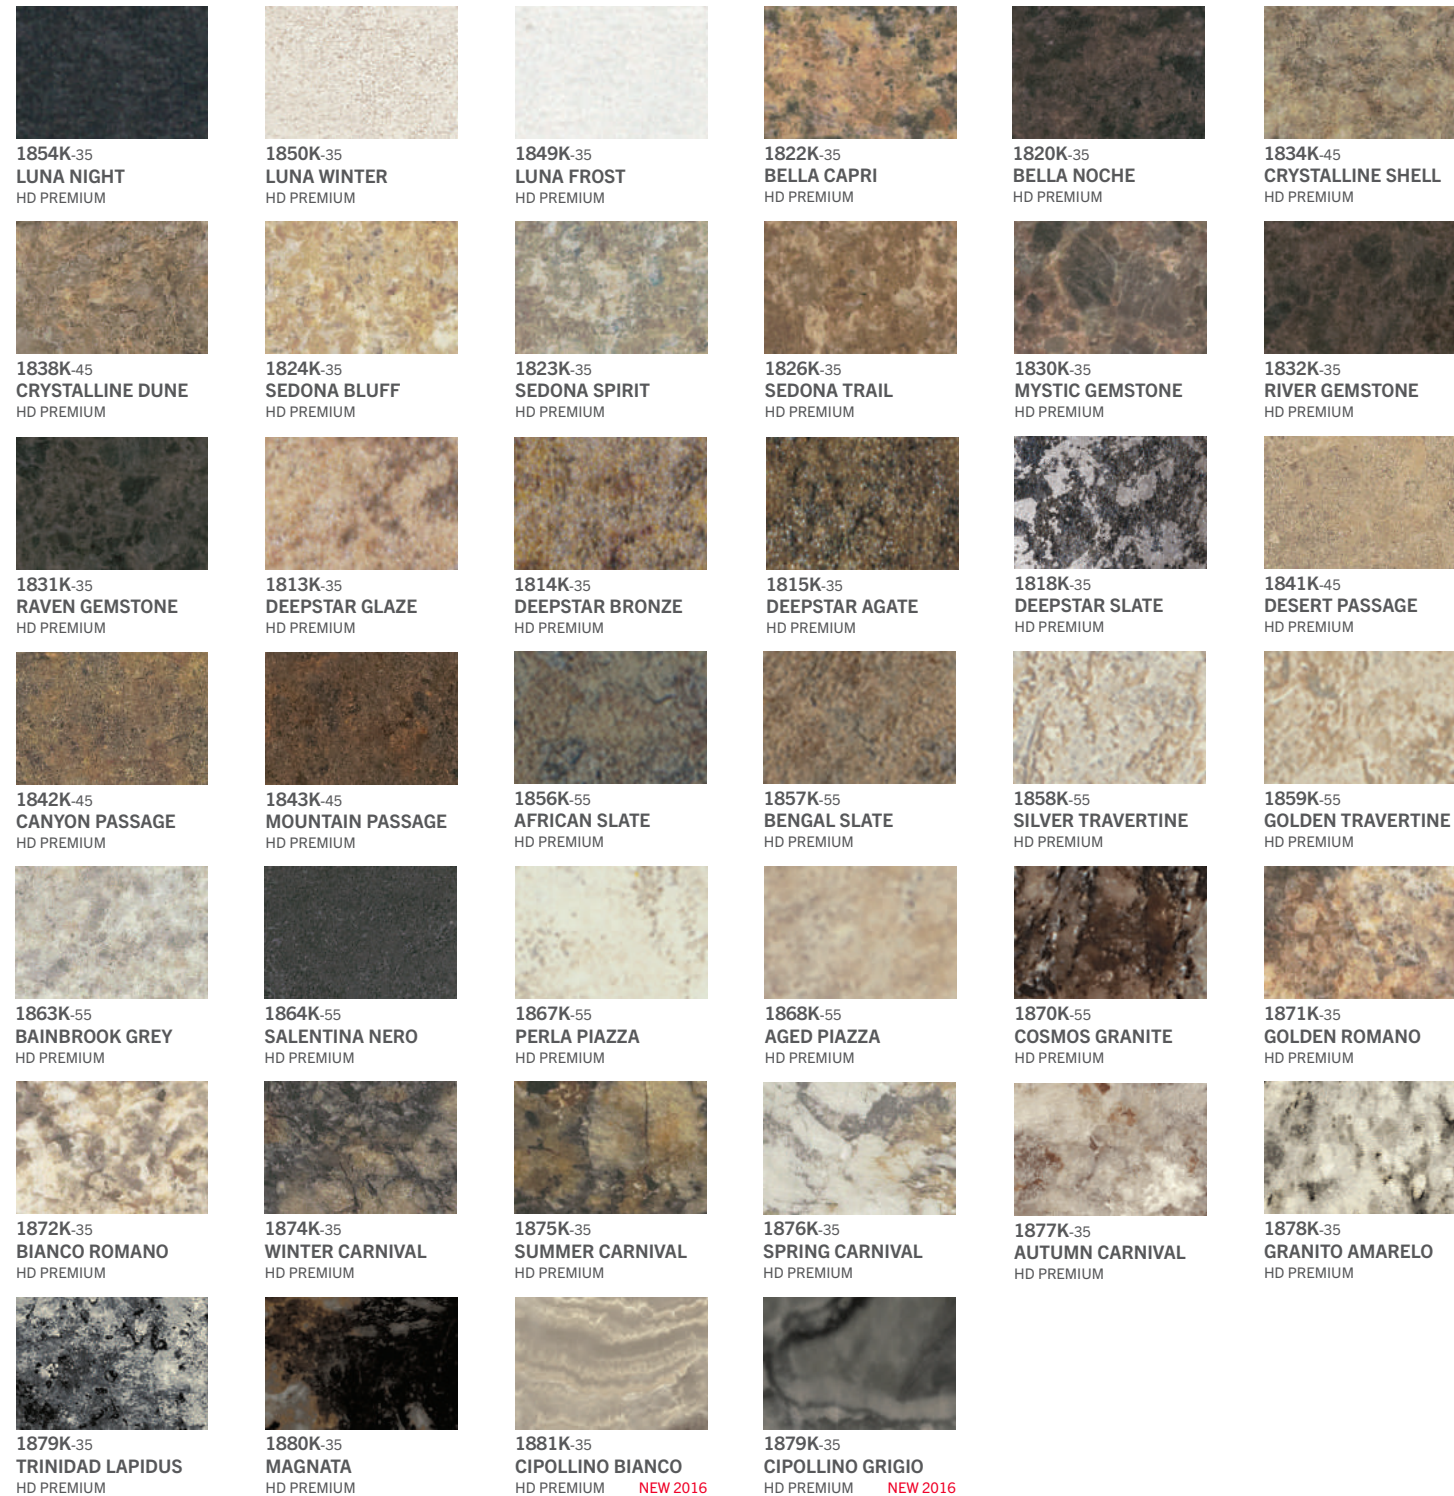

DECORATIVE EDGES

The Wilsonart® Decorative Edge Collection for laminates forever eliminates the dreaded brown seam line. Choose from three unique, architectural options to add the perfect finishing touch to tables, desks and reception counters. Available in Wilsonart® Home and HD® collection designs.

A fusion of beauty and state-of-the-art technology, Wilsonart® HD® High Definition® Laminate is the hardest wearing Wilsonart Laminate yet designed. Featuring our AEON™ Enhanced Performance Technology, the collection's rich depth and dimension of designs and textures make for exceptional environments that last.

HD® HIGH DEFINITION® LAMINATE

Wilsonart® HD® High Definition Laminate, Type 376, has an optical dimensionality plus increased wear resistance and is postformable. It is intended for residential applications and many commercial applications including countertops, work surfaces, checkout counters, and tabletops.

Wilsonart HD designs are priced higher than standard and premium laminates. Not all designs are shown at 100% scale. Colors shown are printed reproductions. For maximum fidelity, please request product samples. Optional finishes may be available by special order. Call your distributor for details.

LAMINATE SURFACE TEXTURES

#01 High Gloss - Premium

A mirror sheen finish, which gives a smooth, brilliant appearance. Recommended for horizontal applications such as countertops and light-to medium commercial applications. Excellent for vertical application.

Glossometer reading:
MD and CD 110 ± 10

#07 Textured Gloss - Premium

A textured finish which reproduces the high sheen of waxed wood furniture. Recommended for horizontal and vertical application.

Glossometer reading:
MD and CD 42 ± 4

#12 SoftGrain - Premium

A dense, woodgrain structure that is low gloss and soft to the touch. Subtle highlights of reflectivity randomly occur within the embossed grains, creating a sophisticated raw wood look. Recommended for horizontal and vertical application.

Glossometer reading:
MD and CD 8 ± 2

#16 Casual Rustic - Premium

A woodgrain texture with a blend of grain variations ranging from linear to subtle movement with random, irregular features. The overall low gloss surface is accented with higher sheen woodgrain ticking and random highlights. Recommended for horizontal and vertical application.

Glossometer reading:
MD and CD 6 ± 1

#18 Linearity - Premium

A directional texture running the length of the sheet, having a narrow, random, matte-gloss linear quality. It is complementary to linear woodgrains, and linear patterns and provides dimension and visual movement to solid colors. Recommended for horizontal and vertical application.

Glossometer reading:
MD and CD 18 ± 4

#22 Antique - Premium

A mixture of varying low gloss features combined with organic movement, indicative of the surface of an aged stone or an antique metal. Recommended for horizontal and vertical application.

Glossometer reading:
MD and CD 9 ± 3

#28 Gloss Line - Premium

A linear woodgrain texture with varied widths of narrow grain structures in an alternating mix of matte and gloss surface areas.

Glossometer reading:
MD and CD 4 ± 1

#38 Fine Velvet Texture

A smooth textured finish with moderate reflective value. Recommended for horizontal and vertical application.

Glossometer reading:
MD and CD 14 ± 2

#52 Quarry - Premium

Premium finish emulating the "pitted" look of polished natural stone. Recommended for horizontal and vertical application.

Glossometer reading:
MD and CD 55 ± 5

#60 Matte

Textured finish with a moderate reflective quality. Recommended for horizontal and vertical application.

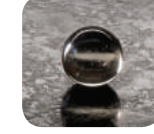

Glossometer reading:
MD and CD 10 ± 2

#78 FineGrain - Premium

This premium finish features the polish and luxe of a real wood veneer, with a subtle, narrow grain structure that runs the length of the sheet. Recommended for horizontal and vertical application.

Glossometer reading:
MD and CD 38 ± 3

#35 Mirage - Ultra Premium

Subtle variations in matte and gloss finish connect to nature's own finishes: rough and weathered, smooth and polished. Wilsonart HD premium pricing.

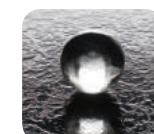

Glossometer reading:
MD and CD 50 ± 20

#55 Glaze - Ultra Premium

A layering of matte features over a glaze of semi-gloss, creates this time worn effect. Wilsonart HD premium pricing.

Glossometer reading:
MD and CD 10 ± 2

#45 Facet - Ultra Premium

A medium to small scale texture providing an optical surface effect that adds dimension and depth to laminate. It is comprised of a balance of matte and gloss areas. The angular, faceted, textural characteristics connect it to the stone and quartz-like visuals it was designed for. Wilsonart HD premium pricing.

Glossometer reading:
MD and CD 50 ± 20

Finish features AEON™ Enhanced Performance Technology, providing 3x industry standard wear resistance, improved scratch, scuff and mar performance. Carries a premium upcharge.

ANTIMICROBIAL PROTECTION is built into the laminate to protect the surface against damaging microbes. Antimicrobial agents protect the surface from the growth of mold, mildew and bacteria that cause odors when used for countertops and work surfaces.
